SOLANO TRANSPORTATION AUTHORITY

Did you know...

Crashes involving those 55 or older have made up about 30% of all crashes in Solano County over the last 5 years? Of those, about 7% involved pedestrians and bicyclists. That's nearly 230 crashes.

Walking is important for many reasons. It is a low-cost form of transportation that not only gets people to their destinations, but also provides a way to spend time with others and enjoy health benefits. These are important, for physical activity and strong social relationships contribute to successful aging.

The California Office of Traffic Safety (OTS) has awarded the Solano Transportation Authority's (STA) Solano Mobility Program a Safety Program Grant, totaling \$110,000. The Grant will be used to promote pedestrian safety among Seniors/Older Adults, with the goal of engaging the community, sharing information, collaborating with key city and county stakeholders to find solutions to make local roadways safer and providing recommendations for future projects or plans based on identified information.

Participation from the community is welcomed and encouraged. Please visit www.saferoutes4seniors.com or contact Debbie McQuilkin @ 707.399.3231 or dmcquilkin@sta.ca.gov for information about how you can get involved.

TAX HELP

The Fairfield AARP Tax Aide Program is located in Suisun at the Joseph A. Nelson Community Center. The program operates in drop-off mode. For those interested in getting their taxes done, please follow the information below:

Step 1: Pick up a tax packet. Tax packets are available in the Courtyard Patio of the Joseph Nelson Center 9:00 a.m. - 5:00 p.m. Tuesdays and Fridays. Pick up a packet before they're gone. There are still appointment slots available.

Step 2: Complete the tax packet. Clients must complete the tax packet before an appointment can be scheduled. Instructions and *contact information* are in the tax packet.

Step 3: We are operating as a drop-off center, which means clients leave their tax documents with a Tax-Aide. At the scheduled appointment, clients bring their completed tax packet, their tax documents, and their 2019 tax return. Clients will be given a second appointment to complete their return approximately one week later. The return will be assigned to a volunteer tax preparer and a volunteer reviewer.

Step 4: At the second appointment time, clients return to the Joseph Nelson Center to go over their return, sign their return, and take their return and all the information you provided to AARP Tax Aide. Tax Aide volunteers will e-file the returns.
